7.	Satgram Underground	1992-93
8.	Ratibati Underground	1988-89

Ocean Thermal Energy Plant

2571. SHRI ALADI ARUNA *alias* V. ARUNACHALAM : Will the Minister of ENERGY be pleased to state :

(a) whether Central Government propose to set up the National Front Ocean Thermal Energy Conversion (OTEC) Plant at Kavaratti Island; and

(b) if so, what are the details regarding the cost of the plant and the time by when the plant is likely to be completed ?

THE MINISTER OF ENERGY (SHRI VASANT SATHE) : (a) and (b) A detailed feasibility report for setting up of a 1 MW OTEC plant at Lakshadweep was commissioned through M/s. MECON [Metallurgical Engg. Consultants (India) Ltd. Ranchi] a public sector consultancy organisation. The estimated capital cost of Rs. 30 crores was considered too high even for a pilot plant. Different alternatives are, therefore, being examined to reduce the initial capital cost of enable a final decision in the matter.

Tuticorin Thermal Plant Complex

2572. SHRI ALADI ARUNA *alias* V. ARUNACHALAM : Will the Minister of ENERGY be pleased to state :

(a) whether Government of India have accepted the proposed of the Government of Tamil Nadu to set up a 420 MW station at the Tuticorin Thermal plant complex; and

(b) on what conditions the approval to set up the plant was sought by the State Government of Tamil Nadu ?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI) : (a) and (b) The proposal of the Government of Tamil Nadu to set up a 420 MW (2×210MW) Thermal Station, as an extension to the existing Tuticorin Thermal Plant, based on indigenous coal, was approved in June, 1985 for implementation by the Tamil Nadu State Electricity Board under the State's Seventh Plan Programme. The Tamil Nadu authorities have now proposed to set up the Station in the joint sector, based on import of coal. The modified project report can be techno-economically appraised by the Central Electricity Authority after it is submitted by the Tamil Nadu Electricity Board.

Licences to produce Paraxylene

2573. SHRI DHARAM CHANDER PRASHANT : Will the Minister of INDUSTRY be pleased to state :

(a) how many licences have been issued in 1983-84 and 1984-85 and upto June in 1986 for manufacture of Paraxylene and Benzene to private or public sector Projects;

(b) whether it is also a fact that IPCL and Bongaigaon Refineries have obtained licences to produce paraxylene and if so, what is the capacity permitted; and
